

EPA Climate Change Research Programme

Climate Change Research Fellowships Call

The EPA invites applications for research fellowships on the following topics:

CCRP 2009 F1: Land use and Agricultural Emissions of Greenhouse Gases

CCRP 2009 F2: Development of Climate Observation Systems

CCRP 2009 F3: Actions on Adaptation and Mitigation

CCRP 2009 F4: Research Support for Mace Head: Instrumentation, Data Systems and Analysis

CCRP 2009 F5: Ensemble Study of Storm Surge and Extremes

CCRP 2009 F6: Modelling Trans-boundary Air Quality

CCRP 2009 F7: Advancing Climate Solutions through Technology

Technical descriptions for these fellowships along with the application forms and terms and conditions are available on the EPA website www.epa.ie via the "Research & Education" pages.

Applications must be submitted to the EPA on, or before **Thursday, 18th June 2009**, not later than 5:00pm using the official application form.

This programme is supported by the Interdepartmental Committee for the Strategy for Science, Technology and Innovation (IDC-SSTI) and the Environment Fund
